ISS World Asia 2018 Conference Agenda
64 Exclusive 2018

ISS World Asia Exhibit Hall Hours

Wednesday, December 5, 2018
Thursday, December 6, 2018

Wednesday December 5, 2018

Networking Reception and Top Ten Challenges

Networking reception with

Top Ten Challenges

Moderator: Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Track 1: Lawful Interception and Internet Investigation Training

Wednesday 7:00 pm - 8:00 pm

Lawful Interception and Internet Investigation Training

Track 1 Introduction
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Lawful Interception and Mediation Fundamentals
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Lawful Interception in 5G Networks
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Lawful Interception and Mediation Standards Update
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cryptocurrency Fundamentals for Lawful Interception
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cryptocurrency Tracking Tools
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Tracking Cryptocurrency Exchanges, Peer to Peer Networks, Mixers, Tumblers, Online Vendors and Online Marketplaces
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Bitcoin Forensics: Following the Money Through Blockchain Analysis
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Live Demo: Cryptocurrency Tracking Tools
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Lawful Interception and Mediation Standards for Packet Data Networks
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Lawful Interception and Mediation Standards for Voice over Internet Protocol
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Lawful Interception and Mediation Standards for Mobile Messaging
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Tracking Tor Hidden Services
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Tracking Tor Users
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Live Demo: Tracking Tor Services
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Tracking Cryptocurrencies

Online Vendor Sites and Hacker Forums
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Tracking Cryptocurrency Exchanges, Peer to Peer Networks, Mixers, Tumblers, Online Vendors and Online Marketplaces
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Bitcoin Forensics: Following the Money Through Blockchain Analysis
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Live Demo: Cryptocurrency Tracking Tools
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Tracking Tor Services

Tracking Tor Hidden Services
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Tracking Tor Users
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Live Demo: Tracking Tor Services
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Lawful Interception and Mediation Standards

Lawful Interception and Mediation Standards for Packet Data Networks
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Lawful Interception and Mediation Standards for Voice over Internet Protocol
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Lawful Interception and Mediation Standards for Mobile Messaging
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Lawful Interception in 5G Networks

Lawful Interception in 5G Networks
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Lawful Interception and Mediation Fundamentals

Lawful Interception and Mediation Fundamentals
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Track 2: Cyber Intelligence and Cybersecurity Training

Wednesday 7:00 pm - 8:00 pm

Cyber Intelligence and Cybersecurity Training

Track 2 Introduction
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cyber Intelligence Fundamentals
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cyber Intelligence Collection, Operations and Tradecraft
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cyber Intelligence Analysis
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cyber Intelligence Sharing
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cyber Threat Intelligence
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cyber Threat Intelligence Platforms
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cyber Threat Intelligence Tradecraft
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Cyber Intelligence Fundamentals

Cyber Intelligence Fundamentals
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Cyber Intelligence Collection, Operations and Tradecraft

Cyber Intelligence Collection, Operations and Tradecraft
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Cyber Intelligence Analysis

Cyber Intelligence Analysis
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Cyber Intelligence Sharing

Cyber Intelligence Sharing
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Cyber Threat Intelligence

Cyber Threat Intelligence
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Cyber Threat Intelligence Platforms

Cyber Threat Intelligence Platforms
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Cyber Threat Intelligence Tradecraft

Cyber Threat Intelligence Tradecraft
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Track 3: Cyber Crime Investigations Training

Wednesday 7:00 pm - 8:00 pm

Cyber Crime Investigations Training

Track 3 Introduction
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cyber Crime Fundamentals
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cyber Crime Tradecraft
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Online Criminal Hacker Forums, Marketplaces, and Underground Economies
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cryptocurrency Fundamentals for Cyber Crime Investigations
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cryptocurrency Tracking Tools
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Tracking Cryptocurrency Exchanges, Peer to Peer Networks, Mixers, Tumblers, Online Vendors and Online Marketplaces
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Bitcoin Forensics: Following the Money Through Blockchain Analysis
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Live Demo: Cryptocurrency Tracking Tools
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Online Criminal Hacker Forums, Marketplaces, and Underground Economies
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Cyber Crime Fundamentals

Cyber Crime Fundamentals
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Cyber Crime Tradecraft

Cyber Crime Tradecraft
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Track 4: Social Media, Dark Web, Darknet, and Cyber Threat Analytics Training

Wednesday 7:00 pm - 8:00 pm

Social Media, Dark Web, Darknet, and Cyber Threat Analytics Training

Track 4 Introduction
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Social Media Fundamentals
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Social Media Tradecraft
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Online Criminal Hacker Forums, Marketplaces, and Underground Economies
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Dark Web, Darknet, and Cyber Threat Analytics
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Live Demo: Dark Web, Darknet, and Cyber Threat Analytics
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Social Media Fundamentals

Social Media Fundamentals
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Social Media Tradecraft

Social Media Tradecraft
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Dark Web, Darknet, and Cyber Threat Analytics

Dark Web, Darknet, and Cyber Threat Analytics
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Track 5: Lawful Interception and Criminal Investigation Training

Wednesday 7:00 pm - 8:00 pm

Lawful Interception and Criminal Investigation Training

Track 5 Introduction
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Lawful Interception and Mediation Fundamentals
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Lawful Interception in 5G Networks
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Lawful Interception and Mediation Standards Update
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cryptocurrency Fundamentals for Lawful Interception
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cryptocurrency Tracking Tools
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Tracking Cryptocurrency Exchanges, Peer to Peer Networks, Mixers, Tumblers, Online Vendors and Online Marketplaces
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Bitcoin Forensics: Following the Money Through Blockchain Analysis
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Live Demo: Cryptocurrency Tracking Tools
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Lawful Interception and Mediation Standards for Packet Data Networks
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Lawful Interception and Mediation Standards for Voice over Internet Protocol
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Lawful Interception and Mediation Standards for Mobile Messaging
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Tracking Tor Hidden Services
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Tracking Tor Users
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Live Demo: Tracking Tor Services
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Lawful Interception and Mediation Fundamentals

Lawful Interception and Mediation Fundamentals
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Lawful Interception in 5G Networks

Lawful Interception in 5G Networks
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Lawful Interception and Mediation Standards

Lawful Interception and Mediation Standards for Packet Data Networks
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Lawful Interception and Mediation Standards for Voice over Internet Protocol
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Lawful Interception and Mediation Standards for Mobile Messaging
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Track 6: Law Enforcement and Public Safety Product Training

Wednesday 7:00 pm - 8:00 pm

Law Enforcement and Public Safety Product Training

Track 6 Introduction
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Product Training
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Product Training

Product Training
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Track 7: Social Network, Dark Networking and Cyber Threat Analytics Training

Wednesday 7:00 pm - 8:00 pm

Social Network, Dark Networking and Cyber Threat Analytics Training

Track 7 Introduction
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Social Network Fundamentals
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Social Network Tradecraft
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Online Criminal Hacker Forums, Marketplaces, and Underground Economies
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Dark Networking and Cyber Threat Analytics
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Live Demo: Dark Networking and Cyber Threat Analytics
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Social Network Fundamentals

Social Network Fundamentals
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Social Network Tradecraft

Social Network Tradecraft
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Dark Networking and Cyber Threat Analytics

Dark Networking and Cyber Threat Analytics
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Track 8: Dark Web Monitoring and Investigation Training

Wednesday 7:00 pm - 8:00 pm

Dark Web Monitoring and Investigation Training

Track 8 Introduction
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Dark Web Fundamentals
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Online Criminal Hacker Forums, Marketplaces, and Underground Economies
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Dark Web Monitoring and Investigation
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Live Demo: Dark Web Monitoring and Investigation
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Dark Web Fundamentals

Dark Web Fundamentals
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Dark Web Monitoring and Investigation

Dark Web Monitoring and Investigation
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Track 9: Bitcoin, Altcoin and Blockchain Transaction Investigations

Wednesday 7:00 pm - 8:00 pm

Bitcoin, Altcoin and Blockchain Transaction Investigations

Track 9 Introduction
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cryptocurrency Fundamentals for Cyber Crime Investigations
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Cryptocurrency Tracking Tools
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Tracking Cryptocurrency Exchanges, Peer to Peer Networks, Mixers, Tumblers, Online Vendors and Online Marketplaces
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Bitcoin Forensics: Following the Money Through Blockchain Analysis
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Live Demo: Cryptocurrency Tracking Tools
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Cryptocurrency Fundamentals for Cyber Crime Investigations

Cryptocurrency Fundamentals for Cyber Crime Investigations
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Track 10: Mobile Signal Intercept and Electronic Surveillance Product Training

Wednesday 7:00 pm - 8:00 pm

Mobile Signal Intercept and Electronic Surveillance Product Training

Track 10 Introduction
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Product Training
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Product Training

Product Training
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Advanced Law Enforcement Training Sessions Lurking Law Enforcement Officers and Pick Computer Scenarios

Wednesday 7:00 pm - 8:00 pm

Advanced Law Enforcement Training Sessions Lurking Law Enforcement Officers and Pick Computer Scenarios

Track 11 Introduction
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Advanced Law Enforcement Training Sessions Lurking Law Enforcement Officers and Pick Computer Scenarios
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University

Wednesday December 5, 2018

Advanced Law Enforcement Training Sessions Lurking Law Enforcement Officers and Pick Computer Scenarios

Advanced Law Enforcement Training Sessions Lurking Law Enforcement Officers and Pick Computer Scenarios
Dr. Dorothy E. Denning, Distinguished Professor, Georgetown University
