Rudy,

Thank you for the re-cap. I have been given internal approval to send the original subscription renewal for 24 months with annual payments as discussed. The payment schedule is listed on the subscription form. In addition, we can also accept a Purchase Order in place of the signed subscription (which is how the original subscription was completed). Please keep us up to date as you work through the process with CC.

I will follow up with you shortly to confirm receipt of the attached renewal subscription.

Sincerely,

-

Erwin,

Just want to confirm...we will not be required to have any documents signed as this will be treated strictly as a renewal from our 2014 subscription? And if so, what will the 24 month, renewal term dates be...10/1/15 - 9/30/17?

I have confirmed that the department has already entered their requisition (291027) and is pending CC approval. So once you and I finalize these details, I can create the agenda item and have it placed for the next CC meeting. As per our conversation, that will be on 2/16/16 but I should be able to have it moved up to the 3rd.

I will await your revised proposal and answers to the above questions.

Thanks,

Rudy,

Than you for taking my call this afternoon. I understand that you need to review the T&C's with a legal review and will also need to run this through commissioners court given that its a revised subscription. Please keep me updated as to whether this makes the docket for the commissioners court meeting Jan 29th or whether it will be in February's meeting.

Please let me know if I can provide any further support to you in any way as you move through the procurement process.

Sincerely,

Erwin Almonte
