1.2 Precedence and relative importance of documents

Document J-LA-001-COMO-01 ("LA Commercial Offer") has the highest precedence.

From J -LA-001-COMO-01 ("LA Commercial Offer"), the other documents are referred to as may be required.

Document Number: J-LA-001-URS-01 ("LA User Requirements") has been incorporated in the other documents, e.g. the Commercial Offer and the System Specification. This had to be done due to the variety of options offered, as well as uncertainty remaining with some requirements. Accordingly, "LA User Requirements", is for information only.

1.3 Confidentiality and distribution

The complete OFFER, including all the referenced documents, must be handled as TOP CONFIDENTIAL between VASTech and the MOI, Abu Dhabi.

Information divulged in these documents may not be distributed to other parties, since it may cause harm to either VASTech and/or the MOI, except if the written permission for such distribution has been attained.
